EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with James W. Huffman on August 10, 2005.

The application has been amended as follows: The claims have been amended as follows:

In claim 18 (line 1) after "instruction" delete "for execution" and

insert ---executing--;

In claim 23, delete the previous version of claim 23 and replace with the following:

23. (Amended) Computer readable program code stored on a computer, the program code being transmitted as a computer data signal on a transmission medium, the computer-readable program code for providing a bit clear instruction for execution on a microprocessor having a privileged control register, the bit clear instruction executing on the microprocessor when the microprocessor receives an interrupt and when the microprocessor is in a privileged state, the program code comprising:

Program code for providing a plurality of opcode bits for designating the bit clear instruction as a privileged instruction;

Program code for providing a plurality of first operand bits for designating the privileged control register as the register to be operated upon by the bit clear instruction; and

Program code for providing a plurality of second operand bits for designating a general purpose register as a register containing a bit mask, said bit mask specifying which of a plurality of bits within the privileged control register are to be cleared;

Wherein when the bit clear instruction executes on the microprocessor, the plurality of bits within the privileged control register that are specified by said mask are cleared, atomically.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Eric Coleman whose telephone number is (571) 272-4163. The examiner can normally be reached on Monday-Thursday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Eddie Chan can be reached on (571) 272-4162. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
